

Birchwood High School

your dreams, your future, our challenge

Years 7 to 11 – National Chemistry Week 4th-8th November

25 October 2024

Dear Parents / Carers,

We are pleased to share with you that we will be taking part in National Chemistry week between 4th and 8th November. There will be many exciting Chemistry Practical lessons taking place during the week across all year groups. In addition, following activities have been arranged:

Tuesday 5th

Science Practical with Glaxo SmithKline for year 7 and year 8 students who have Science in period 3 and period 4

Tuesday 5th and Wednesday 6th

All students are invited to make Lava Lamps during lunchtime in C17

Friday 8th

Assembly for Year 10 - Royal Society of Cosmetic Sciences career talk

We hope this week will inspire our students to explore Chemistry and learn how it is part of everyday life.

Kind Regards,

Mrs Z Birand

Chemistry Teacher

Principal, Mr Sam Griffin
