

Birchwood High School

your dreams, your future, our challenge

Years 9-11 - UKMT Intermediate Challenge Sign Up

04 December 2024

Dear Parents/Carers,

Each year, Birchwood High School students take part in the UK Maths Trust's Challenges. These are multiple-choice quizzes that test students' problem-solving skills and help them to develop mathematical fluency.

The Intermediate Challenge for Years 9 to 11 takes place on Wednesday, 29th January. The challenge lasts an hour and will take place during a lesson (time to be confirmed). As in previous years, we are offering the Challenge to all Set 1 and 2 students who wish to take part.

If your child would like to take part, please fill in this short form by Monday 16th December - <https://forms.office.com/e/EPdSRPjwbf> (a separate form is required for each student).

Please be aware that as the question papers are paid for in advance, and pre-populated with students' names, we will be **unable to accept any entries after this deadline**. Before signing them up, please check that your child wants to take part; once their question paper has been ordered, they will need to complete the Challenge.

You can see some of the previous question papers here for practice - <https://ukmt.org.uk/competition-papers/jsf/jet-engine:free-past-papers/tax/challenge-type:70>

Kind Regards,

Mr D Summers

Acting Head of Maths

Principal, Mr Sam Griffin

Parsonage Lane, Bishop's Stortford, Hertfordshire, CM23 5BD
