

Birchwood High School

your dreams, your future, our challenge

Year 11 Maths Past Paper Booklets for Home

25 September 2024

Dear Parent/Carer,

Our experience in preparing students for GCSE Mathematics has shown that the use of practice exam papers can improve examination performance and thus enable pupils to fulfil their potential. To assist your child in their revision, the Mathematics Faculty this year are again compiling booklets of examination papers; a School Pack which the students are already using in lessons and a Home Booklet to be used for independent study outside of lessons. The use of these practice papers will not only provide an extra revision resource, but also give invaluable insight into how mathematical topics and concepts are tested.

Birchwood High School does not charge for education provided during school hours but in order to provide students with the best opportunities possible we are asking for a contribution towards the cost of the Home Booklets (the school has already covered the cost of the School Packs).

Home booklet = £9.00

If you would like to place an order our only method of payment is via ParentPay. Please contact jyoung@birchwoodhigh.org.uk if you require your parent pay login details. All payments should be received by **Thursday 10th October**.

If your child is currently in receipt of Free School Meals, please contact Mrs Young on jyoung@birchwoodhigh.org.uk as the cost of the booklet will be met in full by the school.

Kind Regards,

Miss Z. Bull

Head of Mathematics

Principal, Mr Sam Griffin

Parsonage Lane, Bishop's Stortford, Hertfordshire, CM23 5BD
