

Course Title

Exam Board

Health and Social Care BTEC First Certificate Level 2
(Equivalent to 1 GCSE)

Edexcel

Course Description

This course will help students to engage in learning in a work related context where care values are at the heart. It will provide opportunities to develop a range of skills and techniques, personal skills and attributes such as team working, working from a prescribed brief, working to deadlines, presenting information effectively and accurately. The units studied include two core units and two other optional units from a selected list.

Unit

Assessment method

1	Human Lifespan Development	Internal
2	Health and Social Care Values	Internal
3	Health and Wellbeing	External

Type of Assessment

The BTEC qualifications has 3 components.

One of the units is an externally set and assessed task; the rest are assignment based and are internally assessed and moderated. All units must be passed to achieve the award. Each unit will be awarded a grade of Level 2 or Level 1 Pass, Merit or Distinction. The grade achieved in each unit makes up the final grade.

Career and Progression Opportunities

BTEC Tech Award gives useful preparation for employment opportunities. It supports progression to further study in general qualifications or vocational training.

Further Vocational and Academic Qualifications

BTEC Level 3 qualification in Health and Social Care
