Any results that are not collected by 11:00 am on the day will be posted by first class post to the address we have on our database unless you have given us an alternative address.

Results will be given to the student only. If another person is to collect the results the student must provide them with a signed letter giving permission and naming the person that will be collecting. The nominated person that is collecting must present their own ID on the day.

Unfortunately, results cannot be sent by email and will not be given verbally over the phone.
