

Year 10 Chemistry Revision

Every Thursday 3:30 - 4:30pm

C13 Mrs Ryan

September 2018 - December 2018

Date	Topic
13/09/18	Atomic structure
20/09/18	History and structure of the atom (plum pudding model)
27/09/18	Atoms, ions and isotopes
04/10/18	Development of the periodic table
11/10/18	Group 1 alkali metals and their trends
18/10/18	Group 7 Halogens and their trends
October Half term	
01/11/18	Overview of the periodic table
08/11/18	Atoms into ions
15/11/18	Ionic bonding
22/11/18	Covalent bonding
29/11/18	Properties of giant ionic and covalent compounds
06/12/18	Graphite, diamond, fullerenes and graphene
13/12/18	Metallic bonding
20/12/18	Overview of structure and bonding
Christmas Holidays
