

Year 11 Chemistry Revision

Every Wednesday 3:30 - 4:30pm

C13 Mrs Ryan

September 2018 - December 2018

Date	Topic
12/09/18	Atomic structure
19/09/18	History and structure of the atom (plum pudding model)
26/09/18	Atoms, ions and isotopes
03/10/18	Development of the periodic table
10/10/18	Group 1 alkali metals and their trends
17/10/18	Group 7 Halogens and their trends
October Half term	
31/10/18	Overview of the periodic table
07/11/18	Atoms into ions
14/11/18	Ionic bonding
21/11/18	Covalent bonding
28/11/18	Properties of giant ionic and covalent compounds
05/12/18	Graphite, diamond, fullerenes and graphene
12/12/18	Metallic bonding
19/12/18	Overview of structure and bonding
Christmas Holidays
