

14 January 2019

Dear Parent/Carer,

**GCSE Science in Action – Emmanuel Centre, London**

The Science department have managed to secure a limited number of tickets to ' Science in Action' at the Emmanuel Centre, London. This enrichment event will take place on Wednesday 27 February 2019 and is specifically open to Year 10 Science students. This is an opportunity to experience five interactive and engaging sessions led by five of Britain's top scientists, all working at the cutting edge of their specialisms. There will also be top tips on examination success from an experienced science examiner and a guide to take home. Places are limited to 49 so will be allocated by means of a draw and refunds will be given for all of those who are unsuccessful in the draw.

We will travel by coach and we would expect to leave at 8.30am and return to school at approximately 18.00, traffic permitting. The price of the trip is £32 this includes travel, insurance and admission to the Theatre. Students will be expected to attend in school uniform and they will need to bring a packed lunch with them on the day.

If you wish your child to participate in this visit please complete the consent form below and return to the finance office in a finance envelope by Friday **25 January 2019**. Payment can be made either by Parentpay (our preferred option) or by cash (exact amount please) /cheque made payable to Birchwood High School. If your child is currently in receipt of Free School meals, the cost of the trip will be met in full by the school, but it is still essential that you return the reply slip to the finance office. If you believe your child may qualify for Free School meals, please visit our website and click on the Financial advice to Parents/Carers (including Pupil Premium) button.

Yours Sincerely

**Mr G Langan**  
Science Faculty
