## Study space for year 12 and 13 students

Dear Parent/Carer

I am writing to let you know that after some discussions in wanting to encourage independence in our students, we have decided to set up study spaces after school. We have often found that students struggle to use their free time effectively and this is a real concern with more demanding courses. Between the maths teachers, we are going to provide an hour long session after school each day from Monday – Thursday. In these sessions students will have to hand in their mobile phones at the beginning and work in silence. They will also need to bring their own work and resources. This is not a revision session but a time for students to work with no distractions.

I have included the timetable below and would really appreciate it if you could help support us and encourage your child to attend, especially if they are not meeting their target or struggling to motivate themselves at home. Sessions start from Monday 21 January.

### Week 1

| Day   | Monday    | Tuesday                      | Wednesday | Thursday  |
|-------|-----------|------------------------------|-----------|-----------|
| Staff | ZBL – D16 | ACA – D15 (when no meetings) | RAE – D10 | NCY – D15 |

### Week 2

| Day   | Monday    | Tuesday                      | Wednesday | Thursday  |
|-------|-----------|------------------------------|-----------|-----------|
| Staff | ZBL – D16 | ACA – D15 (when no meetings) | MCX – D9  | SWE – D13 |

I really believe that studying independently more regularly will help students to not only improve in their subjects, but equip them with skills which will prepare them better for their future lives.

If you have any questions please do not hesitate to contact me.

Yours sincerely

Miss Bull
