Dear Parent/Carer

Year 9 - Diphtheria, Tetanus, Polio and Men ACWY vaccinations

Following a change in the national immunisation schedule the above immunisations are now being administered to all students in Year 9.

Please find attached the 2019 electronic consent and letter for these vaccinations. **This year the process has changed and the consents will not be returned in paper to the school.**

Instead, parents will complete the consent form online and return it electronically directly to the School Health Immunisation Team. Please ensure you use a computer at home when completing the online consent form.

The Diphtheria, Tetanus, Polio and Men ACWY vaccinations will take place on Wednesday 13 March and Friday 15 March 2019 in the BDC.

Information regarding the vaccination programme and dates can be found on the school website, under the tab, "letters".

Thank you for supporting this immunisation programme and please contact the Hertfordshire NHS immunisation team if you have any queries via ImmsEnquiries@hct.nhs.uk or 01727 734026.

Kind regards

G Prime
