September 2020 start

Birchwood High School is a forward thinking comprehensive school situated in an excellent location with stunning facilities.

We have an excellent maths department who achieve fantastic GCSE and A-Level Results. For example, in 2017, 82% of the Year 11 cohort achieved Level 4+ at GCSE and the Progress 8 score for Maths was +0.38.

As a Maths teacher you will be committed to delivering high quality learning experiences for all students that will inspire them to achieve the best of their ability.

We are therefore looking to appoint a committed and dynamic practitioner who can join an otherwise fully staffed team to deliver inspirational lessons across all aspects of the Maths curriculum and support our aim to be a great school.

We offer an effective and supportive induction and professional development package, available for all teachers as part of the school's commitment to a holistic learning community.

To download an application pack please visit our website www.birchwoodonline.co.uk or email: recruitment@birchwoodhigh.org.uk.

Closing Date – 22nd May 2020

Interviews – 27th May 2020

If you wish to make an informal visit, we would be pleased to accommodate this.

We are an equal opportunities employer and are committed to safeguarding and promoting the welfare of our students and expect all staff to share this commitment. The post is subject to an enhanced DBS.
