

Birchwood High School

Choosing your next steps

Flexible Task set by Mrs J. Crimes for Year 12/12MSR

Task description

Making decisions about your next steps can be daunting but do not fear Mrs Crimes is here!

This is a very exciting time in your lives when you start to spread your wings and look forward to life beyond Birchwood.

I have put together some resources to help you with your decision making, starting with the Post 18 Choices PP attached below - this identifies the different pathways open to you and looks at the pros and cons of each. The second resource below has a series of self-reflective exercises to help get some of your thoughts down on paper.

In addition I have uploaded 2 interactive resources to your Unifrog Locker - the STEP Further workbook will help you think about what is important to you while the Student Guide has all the information you need about Apprenticeships.

Please remember that Unifrog is your friend in this process so if you have not explored the platform yet, now is the time to get started.

If you would like 1:1 support or guidance just email me - crimesj@birchwoodhigh.org.uk - I am on hand to answer any queries or concerns you may have. PLEASE DO NOT STRESS AT HOME ON YOUR OWN!
