Dear Parent/Carer

As we approach the end of the Assessments at both Key Stage 4 and Key Stage 5 we would like to take this opportunity to thank you for your support and also to commend the students for their resilience and for the outstanding conduct and effort they have shown in recent assessments. They truly are a credit to you and the school.

As you will be aware, the school has been given the task of generating Centre Assessed Grades for the students. Hopefully all the students have been made aware of how that grade is being generated and how they will be assessed. For clarification, we have attached a document pertaining to the awarding of GCSE's/A Level's – BTEC's for the summer of 2021, which will hopefully allow you to see exactly what is being assessed.

Should you have any questions regarding this, in the first instance, please contact the relevant class teacher or Head of Faculty, and further to this should you need to, please contact either Mrs Bothwell, Exams Officer or myself at the school.

Once again thank you for all your support.

Kind regards

Charles Gilbank
